

# EMERGENCY SHELTERS

---

- **Shelter openings vary with each emergency.** These shelters are hurricane evacuation shelters, not tornado shelters, cold weather shelters or flood shelters.
- Stay tuned to local media to determine which shelters are open. Shelters only open when all other local resources are expected to be expended.
- Be aware of which shelters are pet friendly. If you plan to go to a pet-friendly shelter, please be familiar with the Pet Requirements for Shelters (below) in advance.
- Sign up for the [Special Needs Registry](#) if you do not have transportation to get to a shelter and will need assistance.
- Public shelters should be a last option. It is always recommended to stay with family and friends if possible when you're told to evacuate.

**Do not go to the shelter until local officials announce, through the media, that the shelter is open.**
